SUMMARY

Strategic Survey Programmer with a proven track record of driving results in the dynamic landscape of market research. With three years of hands-on experience, I excel in crafting end-to-end web-based surveys that exceed client expectations. Known for my ability to effectively collaborate with cross-functional teams and manage client communication, particularly with high-profile US-based clients. Seeking to leverage my expertise in a forward-thinking organization committed to innovation and growth. Ready to bring my passion for excellence and dedication to success to your team.
